

REMARKS

Upon entry of the present amendment, claims 8-10 and 13-20 will remain pending in this application. Applicant notes with appreciation the Examiner's indication that claims 13-20 are allowed and that claims 8-10 would be allowable if rewritten in independent form including all limitations of the base claim and any intervening claims. Applicant has accordingly rewritten claim 8 in independent form, and amended claim 9 so that the reference to the second side wall is more clear. Accordingly, Applicant respectfully requests claims 8-10 and 13-20 to issue as a patent in due course. If there remain any additional issues to be addressed, the Examiner is invited to contact the undersigned attorney at 404.815.6147. \

Respectfully submitted,

Kristin Crall
